RE: transcript request: case number 2018-CP-10-003315, 28 August 2019 hearing,
Appellate Case No.: 2019-001878
Follow up request in response to Ms. Kitchings' letter dated 6 January 2020

Ms. Rueger

I am resending this request in response to Ms. Abbott Kitchings' letter of 6 January 2020. I have included a copy of the original letter as well, and as you can see, copied several other parties so there is no chance I missed an interested party in this request this time.

Ms. Kitchings, please note that Ms. Kohn was copied originally, listed exactly opposite of your name on the top of the second page.

Additionally, given additional developments related to Judge Murphy's order signed 20 September 2019 entitled ORDER ENJOINING PLAINTIFF FROM RE-FILING THIS MATTER AND IMPOSING SANCTIONS UPON THE PLAINTIFF, specifically related to the ongoing improper utilization of this order by Charleston County to attempt to justify their ongoing obstruction of justice, among other criminal conduct, in coordination with attorneys and their clients copied on this letter, please be aware that all materials in your possession related to this hearing will be subpoenaed in one or more Federal cases.

If you believe your employment by the State of South Carolina / the SC Judicial System creates a potential conflict of interest in your ability to properly manage this request and /or the information in your possession related to this matter, please contact the US Attorney (acting), Mr. Crick, who is copied.

Thank you for your assistance.

Best regards,

Alan Nix

RE: transcript request: case number 2018-CP-10-003315, 28 August 2019 hearing,
Appellate Case No.: 2019-001878

Ms. Rueger

I am a party to the above cited case, and several orders spawning from the hearing that date have been appealed, including one filed under case 2019-CP-10-00067. Judge Price was scheduled to be the judge at the hearing that date but Judge Murphy showed up instead.

Can you please respond with the price for the transcript that day so I may order the transcript and meet the requirements of the Court of Appeals? Please include the additional discussion that occurred during the period while the clerk was looking through the clerk of court records to determine if I have received notice of a hearing apparently scheduled for case 2015-CP-10-02751 that day. Mr. Lesseman and Ms. Copeland were there related to that hearing. Ms. Copeland representing the Town of Mount Pleasant and Mr. Lesseman representing Park West Development, Inc. and/or Land Tech Charleston, LLC.

Also, please ensure additional information from that hearing such as audio recordings of the hearing, steno notes, email related to the hearing, etc. are maintained for at least a year. One of the orders in particular from that hearing is expected to become a central component of future litigation.

Thank you for your assistance and have a Merry Christmas and Happy New Year.

Best regards,

Alan Nix
