Re: Morgan vs James Lee Properties  
2010170786

This letter is to notify the court of a financial correction sent this date with the money order No. 19959286127 to replace check 1941 sent on time, dated April 3, 2012. I called your office to find out why this check was not processed and was told it would not be accepted due to a previous return check the previous year. I did not know that I could not mail a check since it was paid so I am forwarding a replacement money order. There has been notice or phone call informing me of this or I would have done it sooner.

Thank you,
