RE: United Solar, Inc. v. Charles Barfield v. South Carolina Renewable Energy Commission,
LLC and Paramount Equity Mortgage, LLC d/b/a Loanpal
Appellate Case No. 2019-001840
Our File No. 060814.01500

Dear Ms. Kitchings:

Appellant Paramount Equity Mortgage, LLC d/b/a Loanpal hereby requests a thirty (30) day extension of time to file its initial brief and to serve its designation of matter to be included in the record on appeal in the above-referenced matter. This is the second extension request for this initial brief and designation of matter, and it will be the last one sought by Appellant. The additional time is sought because the parties are actively engaged in settlement talks and believe they may be able to resolve this matter without further court involvement if an extension is granted. Undersigned counsel has communicated with counsel of record for all other parties to this action, and they consent to this extension request.

Currently Appellant's designation of matter and initial brief are due January 22, 2020. With the additional time, Appellant's initial brief and deadline for serving its designation of matter will be due on Friday, February 21, 2020. We would ask that this deadline be held in abeyance until a ruling has been issued on this request in light of the Court's closure during the holidays.

A check in the amount of \$50.00 is enclosed as the required filing fee. Thank you for your consideration of this request.

Very truly yours,

Brian M. Barnwell
