RE: Patricia Pate v. College of Charleston
Appellate Case No.: 2019-001064

SC Court of Appeals

Dear Ms. Kitchings:

Enclosed for filing please find the **correct** unbound original of **Volume I** of the **Record on Appeal** and the original and (1) one copy of the **Proof of Service** in the above-referenced case. I trust this will resolve the issue raised in the Court's deficiency letter.

When the Record on Appeal was originally filed with the Court on January 2, 2020, our courier inadvertently provided the Court with the unpaginated original of Volume I which had been sent to the printer (who added the page numbers). The filing clerk stamped and returned the original paginated version to the courier.

The correct paginated Record on Appeal (Volumes I and II) was served on Counsel for the Respondents on January 2, 2020.

We are therefore filing the correct paginated original which includes the Court's date stamp for January 2, 2020. As Counsel for Respondents has already been served with the paginated bound copy, we are not serving them with another copy.

Please have your staff clock in the **Corrected** unbound original of **Volume I** of the **Record on Appeal** and **Proof of Service** and return the clocked copies to our courier. Thank you for your consideration in this matter. Please contact us with any questions or if further information is needed from our office.

With kindest regards, I am

Respectfully,

Stephen B. Samuels
