Basic Printing Tips, visit avery.com/printingtips for more information

- Adjust printer settings for "Paper Type" to "Labels" to optimize print quality.
- Check the alignment of your printed layout by first printing on a plain sheet of paper. Hold the printed sheet behind the Avery product to confirm alignment then print onto the Avery product.
- When printing label products, do not feed labels through your printer more than once. The Avery satisfaction guarantee extends only to a sheet of labels that has been fed through a printer a single time.
- Use only Avery brand products for guaranteed results.
