Appellant,

v.

Appellate Case No: 2019-001936

Palmetto State Transportation, Employer
And Cherokee Insurance Company,
Respondents

MOTION FOR EXTENSION OF TIME TO FILE APPELLANT'S INITIAL BRIEF

1. Counsel for Appellant recently advised the Court that the Transcripts in this matter were ordered and received prior to the filing of this appeal; however, Counsel's office inadvertently failed to properly calendar relevant deadlines for perfecting the appeal based on having previously ordered and received the transcripts. Due to this inadvertence, the time for filing the Appellant's initial brief has passed without having been properly calendared within Counsel's office. In addition, Counsel for the Appellant has experienced a recent increase in workload that has interrupted Counsel's ability to complete the initial brief.
2. Counsel for Appellant therefore requests an extension of time to file the Appellant's Initial Brief until February 28, 2020.
3. This is Appellant's first motion for an extension of time with respect to filing the Appellant's Initial Brief, although the initial inadvertence concerning the status of transcripts resulted in a miscalculation of the initial due date.
4. This motion is not being made for purposes of delay; rather, Counsel's initial inadvertent calendaring error and heavy workload have necessitated this request.

Accordingly, Appellant requests an extension of time until February 28, 2020 to file and serve the Appellant's Initial Brief.
