Re: Innovative Waste Mgmt. v. Crest Energy Partners, et al.  
Case No. 2019-001719

Dear Ms. Kitchings,

I hope this letter finds you well. Following up on my letter of December 20, 2019, the reporter assigned by Court Administration to transcribe the hearing of April 6, 2015 has been unable to locate any record of that hearing. I have enclosed a copy of her correspondence for your review. The Order resulting from that hearing indicates that the matter was heard in chambers. While I do recall arguing the matter in chambers, I do not recall the hearing being off the record.

It appears that we have received all transcripts that will be available for the Record on Appeal. As this case was administratively dismissed, and our Motion to Reinstate remains pending, I respectfully ask for your guidance on our briefing schedule. If Court wishes for us to proceed with briefing immediately, I respectfully request that the time for serving and filing the Initial Briefs be set for February 13, 2020, which is thirty days from the date of the reporter's correspondence.

Thank you, as always, for your assistance with this matter. If you have any questions, comments, or concerns, please do not hesitate to contact me at any time. With best regards, I remain

Sincerely,

David B. Marvel

**Subject:** Innovative Waste Management v. Crest Energy Partners transcript request

Mr. Marvel,

I was asked to prepare the above referenced transcript. The date stated in your letter for the hearing was 4/6/2015. As you know, I was not the reporter on this hearing. Hilda Jordan was. Upon checking her records, I can find no where on her audio where a hearing in this case took place on that day. Therefore, I will consider this request cancelled. If you do find another day this hearing may have taken place, please contact me or the court reporter that was assigned to this case. Thank you.
