MOTION FOR EXTENSION OF TIME

Appellant requests that the Court allow an additional 7 days to file his Initial Reply Brief in this matter. Two previous extensions of this deadline were granted. My son was placed in a partial hospitalization program during the week of 1/27/2020 and will remain in the program for at least the week of February 3, 2020. His condition is of a highly sensitive nature and his admittance into this program requires my presence at the facility every day until at least Wednesday February 5, 2020. Therefore, the Initial Reply Brief cannot be completed by the current deadline of February 3, 2020. The Brief is mostly complete, and I anticipate it will be completed this week. However, in an abundance of caution, I request an additional 7 days to avoid having to request any additional extensions due to my son's issues. If this extension is granted, the new deadline for service and filing of the Reply Brief will be February 10, 2020. No party will be prejudiced by this extension of time and it is not requested for purposes of harassment or delay.

February 3, 2020.
