Re: Appellate Case No. 2017-002374

Dear Honorable Clerk of Court:

On 12/06/19, along with a copy of the State's return to petition for writ of certiorari in my case, I also received a copy of the Order from the Clerk of the Supreme Court informing me that my PCR appeal was transferred to the South Carolina Court of Appeals.

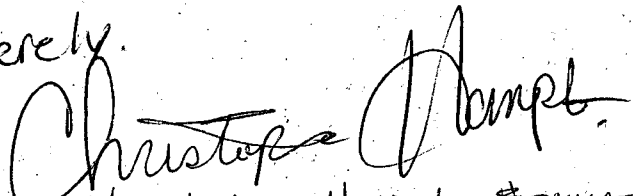

With respect to the state's return to the petition to writ of certiorari in my case, I am not yet sure if my appellate attorney has responded. However, it is very important that I also respond by way of an added Affidavit to clarify a few things in my defense; thus, the reason for this letter to ask this Honorable Court if that would be allowed.

Also, aside from my PCR appeal, the Court has allowed me a direct appeal in pursuant to White v. State, in which my appellate attorney has filed

an Anders brief and I in a timely manner, filed a pro se direct appeal brief addressing my own direct appeal issues. However, in the "Statement of the Case" from the State's return to my PCR appeal, it mentioned the Anders brief that was filed, but it made no mention of the pro se direct appeal that I timely filed.

Could you please in addition to information on if I can submit an Affidavit, also inform me if my pro se direct appeal is on file to be reviewed.

Sincerely,

  
Christopher Hampton # 314697
