

# The Supreme Court of South Carolina

Rodney Galimore, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2019-001338

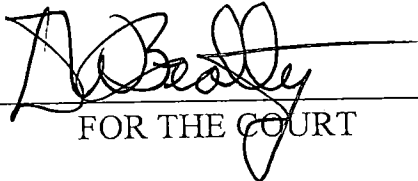

---

## ORDER

---

Petitioner asks the Court to hold this matter in abeyance pending reconstruction of the exhibits presented at the hearing on his application for post-conviction relief (PCR). The State opposes the request for a remand, but it joins in the motion to hold this matter in abeyance pending a ruling on the motion to remand.

Because Petitioner has not shown he has exhausted all reasonable sources, including counsel who represented the parties at the PCR hearing, in his attempt to locate the exhibits, we deny the motion to remand without prejudice to Petitioner's right to renew the motion after further investigation. The time limits in this matter are held in abeyance for thirty days to allow Petitioner to obtain the exhibits.
