Re: Kevin E. Herriott vs. The State  
Appellate No. 2019-000969

Dear Clerk:

The Appellant Herriott ask to proceed pro se, although it may be to his own detriment, it must be honored out of that respect for the Appellant which is the lifeblood of the law. see State vs. Tyree A. Roberts, 632 S.E. 2d 871 (S.C. 2006). "It is well-established that an accused may waive the right to counsel and proceed pro se." State vs. Reed, 332 S.C. 35, 503 S.E.2d 747 (1998); citing Faretta v. California, 422 U.S. 806, 95 S.Ct. 2525, 45 L.Ed. 2d 562 (1975).

The Appellant Herriott hereby notifies the Court that his decision is sound, and voluntarily, KNOWINGLY, and intelligently waive the right to counsel under one condition; that is, to be treated just as if the Appellant is a lawyer as well as to inform him of any discussion or ruling notifying the Appellant Herriott in a reasonable and timely fashion. Also, to allow the Appellant Herriott of the pro se exceptions in determining an issue brought before this Court.

! "to proceed under" omit "of"
