Lonnie E. Patterson

Appellate case # 2019-000890

VS.

State

I'm writing to ask that you reconsider Lonnie sentencing. I don't consider myself as a victim. We are all victims. Yes we lost our son because of the decision that Lonnie made which was a mistake. I have to talk to my son daily about his father, not being able to see him because they have us down as victims. If you can please reconsider the 10 year sentence without parole we will be honored and grateful.

Thank you,
