MOTION FOR EXTENSION OF TIME

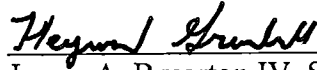

Appellant respectfully moves this Court for an Order pursuant to Rule 263(b) SCACR for thirty (30) day extension of time in which to file and serve its Initial Brief and Designation of Matters to be Included in the Record on Appeal which at present is due on February 27, 2020. Time has not expired for Appellant to file and serve its initial Brief and Designation of Matters. This motion is not made for the purpose of undue delay, and is the first request for an extension of time.

Counsel seeks additional time for drafting, and consultation with the client due to unexpected demands in other matters including numerous depositions and site inspections in other construction litigation as well as an upcoming trial.

Counsel for Respondent has consented to the motion for an extension of time. With the requested extension, Respondent's Initial Brief and Designation of Matter would be due March 28, 2020.
