

THE STATE OF SOUTH CAROLINA  
In The Court of Appeals

Response to November 14, 2020 letter

Case No.: 18-ALJ-22-0275-AP

Docket No. 2018-002107

Adrian Wilson, Appellant

Vs.

SC Employment and Workforce,  
Wateree Community Action Inc., Respondents

MOTION TO RECALL REMITTITUR

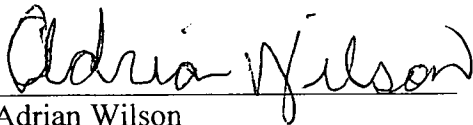

**RECEIVED**  
FEB 28 2020  
SC Court of Appeals

I appellant Adrian Wilson am requesting that the motion/appeal submitted be recalled. I never received the notice sent on November 14, 2019. I called the courts to request a copy be sent to me again, and as of February 12, 2020 I have not received this requested copy. Also, I never received the notification that I was being allowed to proceed forma pauperis, or the notification indicating the timeframe, in which I should submit the initial brief.

Although I am functioning in a forma pauperis status, I have been very responsive with request for information and following instructions as they are received. I contend that there is an issue with the mailing system because I have received some communications but not all of them. I only learned about the November 14, 2019 letter when I received the remittitur letter dated December 30, 2019. I immediately called to inquire about the statement in the letter which states "A copy of the judgement of this Court is enclosed." After calling the courts I learned that the copy was not sent to me.

An issue with the USPS is something that is out of my control. Consequently, I would like for the courts to recall this matter to the higher courts, and review the attached initial brief.

Respectfully Submitted,

Adrian Wilson
