RE: State v. Antonio Simmons
Appellate Case No. 2020-000088

Dear Ms. Kitchings:

On February 10, 2020 I provided the Court with notice that I had not identified any issues preserved for appellate review. Upon further inspection of the record, I respectfully amend my prior submission and provide for the Court's consideration the following issue which is preserved for review:

Whether the trial court erred by increasing the Appellant's sentence after he successfully exercised his right to appeal, in violation of Appellant's rights under North Carolina v. Pearce, 395 U.S. 711 (1969).

Please notify me if anything further is needed from my office.

Sincerely,

Christopher R. Geel
Attorney at Law
