SC Court of Appeals

V.

South Carolina Dept of Corrections, Respondent

Appellant Case # 2019-001751

Motion For time extension

Appellant comes forward to move the court to grant him a ten day extension on filing his reply brief on response to the initial brief Appellant received from respondent dated February 27, 2020.

Appellant has to request to get in the law library before he can gather the rules and get copies of the reply brief, so an additional ten days will be enough.
