I will need the full transcript taken on 9/30/2019.

The case was captioned as " Defendant's Motion/12 (B) in lieu of Answer".

The Honorable Perry M. Buckner III was presiding.

The hearing was conducted in Jasper County.

The parties present at the hearing were Plaintiff K. William Trachsel and Defense Attorney Mary Bass Lohr.

Thank you and please be kind on any fees as the consistent misconduct by the defense has kept me homeless and indigent.

I do not have a reliable physical address to receive physical documents so an emailed transcript would be much appreciated!

Here is my unreliable physical address anyway:

I go back in in the morning out of town in a jury trial but I will look this case up and get an estimate to you. I don't set the cost, the transcript goes out to a typist and upon return it goes to a proofreader then out to you.

It has been well over 60 days and I still haven't received any further correspondence from you about the transcripts nor any pricing information.

I just looked up online who the court reporter was and there is a discrepancy concerning who was my court reporter...

Did you record these transcripts or was I misinformed and there was another reporter present at these proceedings?

This order was forwarded to the reporter who covered judge buckner's court that day in Jasper, which was Becky Hill. You may contact her at rhill@sccourts.org.

In the future, to confirm who the reporter was (unsure as to where you got the information that it was me) but if you go to sccourts.org home page under "calendar" then under "terms of court" choose the circuit by clicking on the map and the change the date at the top to reflect the date of the proceeding and the reporter and judge's name can be found there under the corresponding date.

SC Court of Appeals

Ms./Mrs. Elizabeth B. Harris,

I requested transcripts postmarked on November 15<sup>th</sup>, 2019 by mail including the date of case, case caption, judge, county it took place, and parties present.

In that letter I also requested correspondence be sent to both 1100 Taylor St. Columbia, SC 29201 and 662 E. 39<sup>th</sup> St. Savannah, GA 34101 to ensure that I received the transcripts in a timely fashion.

Today is February 20<sup>th</sup>, 2020 and over 90 days later I still have not received an estimate nor any kind of correspondence at either address. Due to the foregoing, I double checked online today and it seems that I may have been misinformed about who the reporter was for this hearing. I was given another reporter's name and contact details instead of yours.

I still need the transcripts so I am re-requesting and asking that they be emailed to the address located in **bold** with the signature below or simply just reply to this email.

Below is the date of case, case caption, judge, county it took place, and parties present.

I will need the **full unedited transcript taken on 4/4/2019.**

The case was captioned as "**Kristopher William Trachsel VS Hardeeville Police Department , defendant, et al; Defendant's Motion to Dismiss**".

**Judge R. McIntosh** was presiding.

The hearing was conducted in **Jasper County.**

The parties present at the hearing were **Plaintiff K. William Trachsel and Defense Attorney Mary Bass Lohr.**

I agree to pay the \$2 per page charge for this unedited transcript to be emailed as provided by Rule 607(h)(1)(I), SCACR if you were indeed the reporter present at court and confirmation if you were not present.

Thank you for your prompt attention to this matter,
