RE: David Miller v. ENT & Face, P.A. and Brian Wilson, M.D.
Appellate Case Number: 2019-00359
Civil Action Number: 2017-CP-46-0302
Our File Number: 79.20150

Dear Ms. Kitchings:

This letter is to request a five day extension of time in which to file the Final Brief of Respondents with regard to the above referenced appeal. I had originally believed that the deadline fell on March 13th, but I failed to account for this being a leap year. By the time I realized my error, it was too late to get the final brief prepared and copied and bound. As the attached email reflects, the Appellant's counsel has consented to this extension. Please also note that the Respondents have not requested any prior extensions for this brief.

By my calculations, the Final Brief of Respondents will now be due on or before March 17, 2020. I have also enclosed my firm's \$50.00 check for the filing fee. If you require a formal motion, please advise.

Thank you very much for your consideration of this request.

Sincerely,

LINDEMANN, DAVIS & HUGHES, P.A.

Do you have any problem if I get 5 extra days to file my Final Brief? I thought it was due tomorrow but I forgot about it being a leap year. My paralegal actually had it diaried correctly if I had just paid attention. I would still do it today but I can't get it bound and copied at this hour.

Thanks for the courtesy.
