SC Court of Appeal:

I am providing additional document from Amazon to verify that any request to pay Petition For Re-Hearing Fee by this COURT will be a burden and abuse due to deceptive practices by Defendants. The document verify that I as a claimant were considered Disable and received Disability Payments which Defendants were in possession and so were SCWCC.

The document from Amazon is accurate regarding the all information pertaining to Clarence Jenkins Jr. but it does has one error. The information regarding employment hire date, rate of pay, LOA and Disability Payments as stated for Clarence Jenkins Jr. is completely accurate. The name of Jacob Roberts as stated in paragraph 2 is the only error of the letter. *The short-term Disability Payments were paid directly from Amazon.com @pp*

Atty. Helen F. Hiser is fighting so hard to keep stated documents that was already part of the record which Defendants intentionally sought to hid from the COURT and SCWCC willfully denied claimant the opportunity to submit. Please consider this document as well to verify that any required additional fees by this COURT will be an abuse by fraud.

Clarence Jenkins Jr.
