Dickie McCamey's Plan for Operations in Response to the COVID-19 Virus

In response to the progression of the COVID-19 virus, Dickie McCamey has implemented a Plan for Operations to maintain communications and service to our clients, the Courts and the community.

At the moment, all of our 20 offices are fully operational. However, to maintain consistent operations we are prepared to implement our Plan, in phases, as circumstances dictate. All of our 20 offices are equipped to operate remotely, including access to voice mail messages on office lines.

Thank you for your anticipated cooperation as we work through this challenge together.
