In the alternative, Appellant prays the court to allow him to file fewer copies than the number required by the Rule of Appellate Procedure. Appellant is 73 years old, appearing pro se and retired with only a small social security check each month, therefore prays the court to grant his motion.

MOTION FOR EXTENSION OF TIME

Appellant Joseph Sun moves the court to grant an extension of time of an additional 20 days to serve and file his initial brief and designation of matter which is originally due on March 21, 2020. Appellant is appearing pro se without counsel and his means of legal research and preparation of the brief and designation of matter is very limited especially during this period of public and school restriction due to Coronavirus causing the closing of the college law library.

Appellant needs more time to file his aforesaid documents in this appeal.
