I am not sick and do not believe I have been around anyone visibly sick.

Understanding the Court's concern (and sharing it to some degree) – I would prefer continuing this to a later term of court. As I review the briefs, I do think oral argument would be important. I am happy to come argue it tomorrow too, so I will wait for the Court's decision. I would rather not just submit on the briefs.

Dear Counsel:

In light of the COVID-19 pandemic, the panel is considering alternatives to holding tomorrow's oral argument in this case. If you, your client, or your necessary staff who are planning to attend oral argument are exhibiting signs of illness, we ask that you notify the Court. Additionally, we would like to know your preference regarding resolution of this appeal. Would you prefer to (1) orally argue the case tomorrow; (2) consent to the panel deciding the case based on the submissions by counsel; or (3) continue the case until a later term of court? We ask for a response as quickly as you are able.
