Re: The State v. Michael Sullivan  
Appellate Case No. 2019-000084

The Initial Brief of Respondent and Designation of Matter in the above appeal were due to be served and filed February 24, 2020. However, due to an administrative calendaring error, the due date was placed on the calendar for February 25, 2020. Due to a heavy workload, I am requesting a 30-day extension of time to file the Respondent's Initial Brief and Designation of Matter from the original due date of February 24, 2020. This is a first extension request in this case, and it is not intended for the purpose of delay. I have contacted Counsel for the Appellant, David Alexander, and he consents to my request for a first 30-day extension in the above appeal.
