Re: Wall v. Wall
2019-001448

Dear Ms. Kitchings:

In response to respondent's motion to require his brief to contain references to the trial record, the appellant has filed a revised brief containing such references. In the filing letter, Ms. Bearden, paralegal of Mr. Rivers, appellant's counsel, states her understanding that I am satisfied.

I am satisfied that Mr. Rivers has supplied all references to the trial record which he is able to supply. **Hence, the motion is moot.** The respondent will proceed to prepare his brief on the assumption that any factual assertions made in the appellant's brief, to which no support in the trial record is cited, have no such support.

Thanking you, I remain

Yours very truly,

James B. Richardson, Jr.
