Appellate Case No. 2019-001501

ORDER

This court construes Appellant's two motions titled "request for reasonable accommodation re initial brief and designation of matter filing deadline pursuant to the Americans with Disabilities Act" as requests for extensions of time to serve and file Appellant's initial brief and designation of matter. After careful consideration, the extension requests are granted to the extent that Appellant may have a thirty day extension of time. Within thirty days of the date of this order, Appellant shall serve and file Appellant's initial brief and designation of matter. This court will not collect a filing fee for these extension requests; however, any further requests for an extension must be accompanied by a filing fee.
