

The South Carolina Court of Appeals

The State, Respondent,

v.

Ty'shun Mario Bessellieu, Appellant.

Appellate Case No. 2018-000622

ORDER

Counsel has submitted a brief pursuant to *Anders v. California*, 386 U.S. 738 (1967), and a motion to be relieved as counsel. We deny the motion to be relieved as counsel and direct the parties to brief the following issues and any other issue of arguable merit:

1. Did the trial court err in charging the doctrine of transferred intent as to the attempted murder charges?
2. Did the trial court err in denying Bessellieu's motion for a directed verdict?

Appellant shall serve and file a brief on this issue within thirty days of the date of this order. Thereafter, Respondent shall have thirty days to serve and file its brief.
