RE: Albert Bradley v. Southern Industrial Constructors and Zurich American Insurance Company c/o Zurich North America
Date of Accident: May 16, 2011
WCC File No.: 1105628
Our File No.: 20216.11055
Claim No.: 2800074691
Appeal No.: 2018-001535

Dear Ms. Kitchings:

On February 28, 2020, Respondents Southern Industrial Constructors and Zurich American Insurance Company c/o Zurich North America filed an Amended Motion to Strike and/or Clarify Appellant's Second Amended Designation of Matter and/or to Dismiss Appeal ("Amended Motion") in the above-referenced appeal. That Amended Motion was based on a further amended Designation of Matter served on Respondents by Appellant on February 25, 2020, which includes typed categories of "documents and dates" with numerous handwritten notations. It is unclear from this Court's C-track whether Appellant has filed this further amended Designation of Matter with the Court. Therefore, Respondents are providing Appellant's further amended Designation of Matter to the Court in order that their Amended Motion makes sense.

If you have any questions, please do not hesitate to contact me. By copy of this letter, we are providing Appellant with a copy of this correspondence.

Yours truly,

Helen F. Hiser
