SC Court of Appeals

Re: Stortz vs The State of South Carolina, et al.
Appellate Case No.: 2019-001843
BSLF File No. 12.03

Dear Ms. Kitchings:

I received the Court of Appeals' correspondence dated March 26, 2020 advising that my clients, The State of South Carolina and County of Charleston's Respondents Brief and Designations in this matter were overdue and giving ten (10) days to rectify this by filing the brief and a motion requesting permission to serve and file outside of the time allowed.

Please be advised that the remaining Defendants/Respondents/Appellees in this matter – State of South Carolina, County of Charleston, and City of North Charleston – have now all reached a settlement with the Plaintiffs/Appellants. I understand that Respondent Coosaw Creek Owners Assoc., Inc. has already informed the Court of its own settlement and pending dismissal. A formal dismissal of the appeal against the remaining Respondents should be forthcoming within the next thirty (30) days.

By copy of this correspondence via e-mail, I am hereby serving same on all remaining counsel of record. Please contact me should you have any questions regarding this matter.

With kind regards,

Yours truly,

G. Wade Cooper
