SC Court of Appeals

Re: Carl M. Funny v. Waffle House, Inc.  
Appellate Case No. 2019-002081

Dear Ms. Kitchings:

Respondent respectfully requests a 60-day extension of time to file a return to Appellant's petition for rehearing in this matter. The reason for the extension is, on March 4, 2020, the court below issued a second Order denying Defendants' motion for rehearing but granting Defendants thirty days to request a rehearing on the merits of discovery rulings. This remains an interlocutory appeal of an order compelling discovery.

This is Respondent's first request for an extension.

Per instruction from the clerk with whom I spoke on the phone, this request is submitted via fax and the filing fee is NOT required. If my understanding of these instructions is incorrect, please advise and I will submit this request and/or filing fee by mail

Respectfully,
