Re: DD Dannar, LLC v. SC LAUNCH!, Inc.  
Appellate Case No. 2017-002029

Dear Ms. Kitchings:

Thank you very much for your letter dated March 31, 2020 informing the parties that a panel has studied the case and is preparing to decide the matter on the briefs and record and giving the parties an opportunity to request considering delaying the decision until after oral argument can be held. Under the health emergency circumstances we are all facing and may be facing for some time, Respondent SC Launch! does not request that the Court delay disposition of this case until oral argument can be conducted.

Sincerely yours,

Robert Y. Knowlton
