SC Court of Appeals

Trial Court Case 2016-CP-40-00100

Hills Machinery Respondent
Company, LLC

v.

Jackson Development..... Appellants.
Group, LLC and J. Elliott Summey

MOTION FOR EXTENSION OF TIME

Appellants request that the Court allow an additional 30 days to correct their Final Brief and file a supplemental Record in this matter. No previous extensions of this deadline were made. Due to the Corona pandemic, the local print shop that counsel uses for all of his brief printing and construction is closed until further notice. Counsel does not have the ability to bind briefs in his home, which is where he is working at the current time. Until the service providers are regularly open again, the missing names on the cover of the briefs cannot be corrected, and the supplemental Record cannot be created and filed. Therefore, Counsel will be unable to complete the corrections and supplemental Record before May 1, 2020 at the earliest. No party will be prejudiced by this extension of time and it is not requested for purposes of harassment or delay.
