Re: Brent Murdock v. Anderson County
Appellate Case No. 2019-000557

Dear Counsel:

We have received your motion for costs; however, pursuant to Rule 222(d), SCACR, a motion for costs should be served and filed within fifteen days after issuance of the remittitur. Because this case has not yet been remitted, the motion for costs is premature and will not be acted on. You may re-file it at the appropriate time.

Very truly yours,
