Dear Debbie,

I hope you are staying safe and sane as this crazy time drags out. I write with a question. . .

We are in need of an additional extension on our reply in support of our cert petition; the reply is due tomorrow, but with getting our remote access up and running, solving myriad issues with that, dealing with child care issues, and the like, we are in need of an additional time. Ideally, I would request 30 days given the backup on many other items as well.

Does the Court require a formal motion for an extension, or can this request be accomplished by email in these circumstances?

Thank you again for all you do!
Jaan
