S.C. SUPREME COURT

RE: H. Dewain Herring v. State; App. Case No. 2020-000205

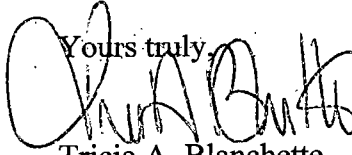

Dear Sir:

Based upon the Orders of the Supreme Court addressing the current health crisis and court operations, it is my understanding with the automatic 20 day extension the Petition for Writ of Certiorari and Appendix would be due this week. I am writing to request the first 30 day extension to allow for time to figure out the logistics for serving and filing the Appendix and for time to consult with my client prior to submission of the Petition.

Last week, I obtained the 7 volume Appendix and determined that it cannot fit in the Court's drop box. I contacted the Clerk's Office and the Attorney General about the means by which the Appendix could be served and filed. At this time, I need an extension to ensure that the bulky Appendix can be properly served and filed.

Additionally, I am working on setting a phone conference to review the Petition with my client prior to submitting it for filing since I cannot visit him in person. Therefore, I need an extension to ensure that I properly consult with my client.

I appreciate your time and consideration in this matter this matter. Please contact me if any additional information is needed.

Yours truly,

Tricia A. Blanchette
Attorney at Law

cc: Samuel Key, Assistant Attorney General
H. Dewain Herring
