SC COURT OF APPEALS

Re: Stewart Buchanan v Robert Braun, et al.,
Appellate Case No. 2012-21197
Motion for Extension to File Rule 224(S) Motion and
To Stay Remitter.

Dear Ms. Allen:

I intend to file a request for review of Judge Few's 01/30/13
Order denying my Motion to Proceed In Forma Pauperis.

I have not been able to gain access to the prison law library and
cannot until Monday, February 11, 2013.

Either the filing fee or my Motion is due February 14, 2013. I ask
for a fifteen (15) day extension, expiring March 1, 2013.

By copy, Respondents are notified.

Thank you

Sincerely,
Stewart Buchanan
