Good Afternoon,

A deficiency letter will be coming for the Respondent's Initial Brief. A Designation of Matter still needs to be filed even if there is no additional information to be provided. I see that the cover letter from Mr. Finger states there is no additional information but we need a formal document stating that. Once the Respondent's Designation of Matter is served, the proof of service of the record on appeal timeline will begin and due within 30 days.

Respectfully,
Sierra

We wanted to follow up on the deadline for our Record on Appeal. We did not see Respondent's filed Designation of Matter and will need this information to complete the record. If you could clarify our deadline, we would greatly appreciate it.

Thank you,
