Motion for Extension to be Granted for Coronavirus Disease

I, Theodore Wagner **Motion for Extension to be Granted for Coronavirus Disease** .

I did not receive this Court's Letter until Tuesday, April 14, 2020 Filed April 1, 2020.

Do to the Coronavirus Disease the Libraries were closed last month. My only access to WiFi
and trying to find help was shut down..

The **Coronavirus Epidemic** has been declared a National Emergency by the President and has
limited my access to to Mail and Papers.

This Court has denied me as a person with mental disability to access to Legal Representation.

My Mental Counselor have shut down their office.

The Public Bus System moved everyone to the back where everyone coughs on you. Because of
my Post Dramatic Stress Disorder and Panic Attacks I can not ride the Bus and Panic when I go outside
with crack heads who cough on you.

The **Coronavirus Disease Epidemic** has been declared a National Emergency by the President
and is an extraordinary circumstance.

For an Experienced Lawyer this may not me an inconvenience but for a person with a
documented Mental Disorder this Court refuses to recognize it is an extraordinary circumstance.

As for the Federal Court I did go to the Federal Court on Broad Street and show them the papers. The told me I had to file a Law Suit against Retired Judge Duffy and I have already done that that he knowingly did that with Special Agent Cynthia McCants,Assistant Prosecutor Rhett Dehart etc. He said the State Court would Transfer the case to them. That was 6 months ago.

The Ongoing Conspiracy to Cover up this Crime Still Exist.

I Motion for the Extraordinary Circumstance for an Indefinite Extension to Comply The **Coronavirus Disease Epidemic** has been declared a **National Emergency** by the President and is an Extraordinary Circumstance.

This in no way is intended to Impede or Impair my previous **Motion for Removal to Federal Court** or 100.00 Dollars to hear my Constitutional Challenges under the Supremacy Clause in the United States Constitution of the Ninth and First Amendment's Rights to the Truth to End the Ongoing Conspiracy to Cover up that the Government knew at the **Grand Jury** on April 9, 2002, "Victim A" – Named Andrea Crisel in the FBI 302 Forms was Born on May 9, 1979 and was my wife when she threw her party with her friends, not mine, on June 25, 1999, and was a 20 year, 1 month, 16 Day old adult. The Government committed an intentional cover-up under 18 U.S.C. § 1503 by U.S. Attorney Dehart and S.A. Appellant Case No. 2018-001125

RECEIVED

SC Court of Appeals

April 16, 2020

To: The Honorable Jenny Abbott Kitchings

In response to the letter I received from this Court on Tuesday, April 14, 2020 Filed April 1, 2020. I mail in Motion for Extension to be Granted for Coronavirus Disease as The Coronavirus Disease Epidemic has been declared a National Emergency by the President and is an Extraordinary Circumstance.

~~The last papers I sent to you with a Self Addressed Stamped Envelope was never returned~~ They are part of the story of the Evil and Bias of the Court system and I ask that the be Stamped Received and Returned as they do show the Complicity and Enabling of an Ongoing Conspiracy to cover up the Truth, The whole Truth, and Nothing but the Truth in Violation of the Supremacy Clause of the United States Constitution. Please return the last papers I mailed in in the Envelope I provided.

I will Supply another Self Addressed Stamped Envelope

I need the Appointment of a Lawyer and want a continuous record of this. South Carolina Appellant Court Rules is in violation of the Supremacy Clause of the U.S. Constitution. I have Tried to

put things in the Form of a Motion even though the wording of the First Amendment makes it unlawful to force me as a mentally handicapped person to have to do that to have a Redress of my Grievances.

I have included copies of of the Fillings and a S.A.S.E. for copies of same to be returned to me.

Thank you for your and putting up with my **Post Dramatic Stress Disorder and Panic Disorder with agoraphobia** that was caused by Mike Davis, the defendant in this case. I wrote the Truth in my Brief and the Court Orders the Cover up of the Truth and Join in this Ongoing Conspiracy. I am Freaking out so bad I do not know what to remove. I'm not a Lawyer.

Thank you for putting up with my Mental Disabilities.
