Good afternoon!

On behalf of Phillips L. McWilliams, attached for filing is Respondent's Motion to Strike and Supplemental the Record on Appeal and Hold Final Brief Deadline in Abeyance in the above-referenced matter, along with a Certificate of Service to the Pro See Appellant.

Per my conversation with Shelby Snell at the Court of Appeals, filing via electronic mail is allowed and mailing of the original to the court will not be required (due to the current coronavirus status). Therefore, a hard copy has been placed in the mail to Pro Se Appellant only, and not to the court.

The filing Fee for the Motion to Strike has also been placed in the mail as required for this Motion.

If you would kindly confirm receipt of this email verifying filing, it would be appreciated. If any other action on the part of Respondent is required to file this Motion, please let me know.

If you have any questions or need additional information, please feel free to contact our office.
