

The Supreme Court of South Carolina

William H. McCladdie, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2020-000620

ORDER

The Court transferred Petitioner's appeal of his initial post-conviction relief matter, assigned appellate case number 2016-001979, to the court of appeals in October 2017. The court of appeals granted certiorari in September 2018, remanded the case to the circuit court, and ordered the appeal held in abeyance pending the circuit court's review of the matter on remand.

The appeal of the circuit court's decision on remand is currently before this Court as appellate case number 2020-000620. Petitioner has filed a motion to consolidate the two cases. We hereby transfer appellate case number 2020-000620 to the court of appeals.
