Reference: Appellant Case No. 2018-001842
Common Pleas No. 2018-CP-10-1163
Thelma R. Garrick v
Dr. George H. Khoury and
Bon Secours Roper St. Francis, W. Ashley

Dear Ms. Kitchings:

I went through the records today while waiting to hear from the Court and realized I had a few questions. I apologize for the inconvenience that the only way you can contact me is by mail or at telephone 803-534-9912. (I have a trac pay phone but only turn it on to make long distance calls. The cut back in expenses were necessary when I had to have extra help with things I can no longer do. Sorry!)

1. Part II, Appendix B of the Appeals Chart:
After the Appellant files the Record on Appeal with the Appellant Court, is there a timeframe to notify the Appellant and Respondents the decision of an oral argument or case submitted without oral argument? This is not mentioned on the chart.
2. Supplemental Record:
Rule 212 reads, "With the written consent of all attorneys of record, a party may supplement the Record on Appeal at any time before argument commences. Without such consent or after argument commences, a party desiring to supplement the Record on Appeal must move the appellate court for leave to do so. Does this mean the Respondents?
3. Appellant (and Respondents) accidentally on occasion gave identifying information, I apologize again; however, I understood that the Clerk of Court would black out any such name or identifying information if it was added before submitting it to the Honorable Judges. Is this correct?
4. Was the Appellant's Supplemental Record on Appeal (addition dated January 4, 2020) accepted by the Court?

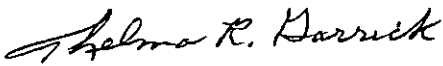

5. Is it also correct that Supplemental Records may be forwarded until the Court renders a decision?

I trust these questions are not out of your scope of being able to answer.

I am not sure how the Court is handling these dark days of the Coronavirus but rest assured all of you, our leaders, everyone, and the country are in my prayers.

Thank you in advance for your assistance.

Yours truly,

Thelma R. Garrick, Pro se
Appellant
