Appellate Case No. 2019-001108

ORDER

Appellant has filed a motion to reinstate, which this court construes as a petition for rehearing of the dismissal of this appeal. Respondents have filed a motion to file a return out of time. After careful consideration, Respondent's motion to file the return out of time is granted. Furthermore, after careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
