Hi everyone! We are working on scheduling the test for this webex oral argument. The Attorney General's office has a conflict for their conference room tomorrow. Would you all be able to conduct the test at 10:00 am on May 18 instead?

Warmly,

Jenny

Thanks so much to both of you for your quick responses and availability. We are still tweaking a few things but you can definitely use the same set up Bob, Kat, and Mark used.

Both dates and times are fine with me. Is this a different software/setup than Kat Hudgins, Bob Dudek, and Mark Farthing used? If so, I will need to let my IT people know before the test.

Dear Counsel:

Good afternoon. In response to the Covid-19 pandemic, the Court of Appeals is pursuing remote oral arguments via Cisco Webex. If counsel are available, we would like to schedule this appeal for May 27, 2020, at 10:40 am. The time limits for argument remain the same. By reply to this email, please let me know whether there are any conflicts with this date and time.

We would also like to schedule a test of the Webex beforehand. By reply to this email, please let me know your availability to test on May 14, 2020, at 10:40 am.
