Clerk, Supreme Court of South Carolina

RE: *Bradley Sanders v. South Carolina Department of Motor Vehicles and Columbia
Police Department*
Case No. 2019-000693

Dear Mr. Shearhouse:

Enclosed please find sixteen copies of a single page that was unintentionally left out of the Appendix in this matter. This was page 52 to the Record on Appeal at the Court of Appeals and should have been placed in the Appendix to this matter between pages 74 and 75. While preparing for the oral argument in this matter I notice this page was missing from the Appendix and upon speaking with Mr. Taylor we determined that its omission in the Appendix was a simple clerical error.

Please file the copies necessary for SCACR compliance and return the one extra copy to me with an affixed clerk's date of filing in the enclosed self-addressed stamped envelope.

Sincerely,

A handwritten signature in blue ink that reads "Brandy A. Duncan".

Brandy A. Duncan
Assistant General Counsel
