APPEAL FROM RICHLAND COUNTY
Court of Common Pleas

Michael G. Nettles, Circuit Court Judge

Case No. 2018-CP-400-6344

Appellate Case # 2019-001488

MB Hutson/ MB Hudson

Appellant,

v.

Penn America Insurance Company,
Global Indemnity Group, Inc.,
Timothy J. Newton, Esq.,
J.R. Murphy, Esq., John Doe #1 and
John Doe #2

Respondents.

MOTION TO EXPEDITE

Comes now Appellant who asks for an Expedited ruling for the following reasons:

Appellant is indigent (caused by Respondent's) whose income is approximately \$700.00/month. Due to the U.S. Government's one time stimulus payment (\$1,200.00) Appellant was able to file this motion.

Appellant is Pro Se and almost seventy-six years of age. Appellant desperately needs the timeliness from the Appeals Court to move this case forward against all Respondents as fast as possible. All Respondents are financially comfortable. Dragging out this case provides more advantages by far to Respondent's than to this Appellant.

Appellant has been intentionally defrauded and financially damaged and must apply far more mental stress and an enormous amount of thinking and researching to this related case than Respondent's due to being Pro SE. Appellant fully understands that this case is like David and Goliath. Appellant has truth and facts on his side and Goliath is simply out to destroy little David. Appellant has faith in the Appeals Court and therefore willing to fight for what's right.
