Hello Ms Harris,

I am inquiring to find out if you have requested an extension to prepare to transcribe?

If you have requested an extension, the Court Administration needs to notify Court of Appeals.

Thank you,

Alice H. Anderson

Dear Ms. Anderson,

I mailed your transcript late this afternoon, so you should have it Saturday or Monday. We are allowed 60 days to complete our work. Your initial payment arrived April 22, so I actually had until June before any extension would be required.

Cordially,
Elizabeth B. Harris
