

The South Carolina Court of Appeals

Alonzo Columbus Jeter, III, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2017-001777

ORDER

First, Petitioner has filed a motion for judicial notice. That motion is denied.

Second, Petitioner has filed a motion for leave to seek the declaration of unconstitutionality of a statute. This court construes the motion as a request to supplement his petition for writ of certiorari with new arguments. On December 13, 2019, this court denied Petitioner's previous request to supplement his petition. Petitioner filed his petition for writ of certiorari on November 2, 2018, and the State filed its return on February 15, 2019. The motion, therefore, is denied.
