Dear Ms. Kitchings, I also want to advise the Court that while the dates are acceptable to us as attorneys for Judge Scarborough, that I am meeting with my IT person tomorrow to review the logistics of adding a camera to my desk computer. It may be that I need to set up the Webex through another office/computer. I will advise the Court ASAP. Thank you, Shirrese

Thank you very much for your response. We can issue invitations to any member of the public who wishes to view the oral argument. Requests should be made via email to ctappfilings@sccourts.org.

Please let us know the status of settlement negotiations as well, as it is very much appreciated.

Take care.

Good morning,

Both dates and times work for the appellant, Mikell Henderson. Does the Court anticipate opening the Webex to the public, or will it be limited to parties and their counsel?

As information, the parties are also engaged in settlement discussions. We will promptly inform the Court if we are able to reach a resolution prior to the hearing.
