**RE:           *State of South Carolina v. Brandon Jerome Clark***  
**Appellate Case No.: 2019-001477**

Dear Ms. Kitchings:

The Initial Brief of Appellant and Designation of Matter are due to be served and filed in the above-listed case on May 25, 2020. Due to my heavy workload, including several ongoing matters pending in federal court related to the COVID-19 crisis, as well as the challenges I continue to navigate while working full-time and having a middle-schooler completing eighth grade at home, I am requesting a thirty-day extension in which to file and serve this brief; I have previously requested one thirty-day extension and believe the extension is warranted as required by the March 18 2009 Order of the Supreme Court governing extension requests. I have consulted with opposing counsel, who advises he does not oppose this request.

With best wishes I remain,

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Blazer', is written over a light blue circular stamp.
