S.C. SUPREME COURT

Dear Supreme Court:

I'm writing this pro se response to you on my behalf, due to the fact on why i think my case should be heard, and considered in the Supreme Court. On the exact day, before going in front of the Judge, Ms. Jennifer Davis said that i were looking at 0 to 20, and due to my cooperation by me were willin to testify against my co-de, that she will add along with her asking them to consider me to have 10yrs. I told her that i'd been promised to get 10 to 12 yrs after signing and pleading guilty due to those five charges. Mr. James Cooper asked Judge Cooper for a continuance due to more information i had by writing statements that next day, let alone, Mr. James Cooper passed away, i think a couple weeks later. I wrote my condolences to the Clerk of Court, than Greg Collins came along, i told him what took place with me and Mr. James Cooper, he didn't have any problem of what i said. Though, when Ms. Jennifer Davis came along, and when it was time to go in front of the Judge, i told her the exact thing i told Mr. Collins right after she told me what i've been looking at and she told me don't mention anything like that in front of the Judge, i said okay. Due to situation above, and after being incarcerated in the state of SCNC, i've been attacked twice due to this matter and fear for my life being that i also was threaten about this matter. Please look into this matter, Richland - Common Pleas - Case #2019 cp 402957. During the tragedy i'd been through due to my cooperation for SCNC twice, while in the county jail, and 5-20-15. I feel like i've been mistreated, misled by an ineffectiz assistant of course which is my lawyer. Now i'm suffering, Post Traumatic Stress disorder. Please find some relief in my case for sake.
