I have filed the included Notice appeal to SC Court of Appeals in order to meet the 30 day time limit.

Please do not hesitate to contact me with any questions or suggestions regarding my filings. As I am not an Attorney but, I am trying to follow the rules of Court as best I can during recuperation from an accident on January 4th.when I broke my back in four sections. The Judge sent out the Order for Dismissal that I received Jan 28th. 2013

Respectfully,

Alan Sheppard
